Welcome Back—Ready for Spring

Welcome back to school after your Christmas break. We hope that you had a lovely time with family and friends and we would like to thank you for all the cards, presents and best wishes at the end of term.

A New year is always a great opportunity to reflect on the year that has passed and make plans for the future. I am sure that many of you have made New Years Resolutions and we wish you all the best at keeping them. As a school, our resolutions are to ensure a smooth transition of teaching for Class 2 and Class 3 as we welcome Miss Motherwell and Mrs Allchurch to our school. We are also looking to become more efficient and in providing an ordering system for school lunches and work towards a cashless school office we aim to provide convenience and consistency for all our parents. We are also committed to ensuring that all children are happy and learning in school and will be reviewing our behavior policy to ensure that good choices are rewarded in a purposeful way.

Star Performance

Just a quick note to say well done to pupils and staff of Class 1 and Class 2 for a brilliant performance of 'Lights, Camel, Action'. We witnessed many 'Star performances where our pupils really Shone!
