# STATUTORY REQUIREMENTS

Statutory requirements for the teaching and learning of English are laid out in the National Curriculum English Document (2014) and in the Statutory Framework for the Early Years Foundation Stage (2012)

In the Early Years Foundation Stage (Nursery and Reception) children should be given opportunities to:

- speak and listen and represent ideas in their activities;
- use communication, language and literacy in every part of the curriculum;
- become immersed in an environment rich in print and possibilities for communication.

# At Key Stage One (Years 1 and 2), children should learn to:

- learn to speak confidently and listen to what others have to say,
- begin to read and write independently and with enthusiasm.,
- use language to explore their own experiences and imaginary worlds.

# At Key Stage Two (Years 3-6), children should learn to:

change the way they speak and write to suit different situations, purposes and audiences,

- read a range of texts and respond to different layers of meaning in them,
- explore the use of language in literary and non-literary texts

# THE GOVERNORING BODY

Regular reports are made to the governors on the progress of English provision and to our Literacy Governors Mrs Aspden and Ms Rafferty.

This policy will be reviewed every two years or in the light of changes to legal requirements.

### **SUBJECT ORGANISATION**

The English Curriculum is delivered using the National Curriculum Framework.

The Early Learning Goals are used to ensure continuity and progression from the Early Years Foundation Stage through to the National Curriculum.

The Lancashire guidance linked to the National Curriculum 2014 for key skills in reading and writing will be used at Bretherton Endowed School to ensure progression and correct pitch and expectation for each year and ability group.

# Planning will be as follows:

- A yearly overview for each year group will be produced showing units and key learning which is to be covered.
- A unit overview plan for each unit of work taught, units for each year group to be given to class teachers which includes they key learning, scaffolded and independent writing opportunities, texts to be used and links to the class theme if appropriate. This is more detailed than the yearly overview.
- A weekly plan to show the above in more detail, differentiation, assessment for learning, resources, teaching assistant support and next steps for subsequent lessons.

# APPROACHES TO SPEAKING AND LISTENING

The Four Strands of Speaking and Listening: Speaking; Listening; Group Discussion and Interaction, and Drama permeate the whole curriculum. Interactive teaching strategies are used to engage all pupils in order to raise reading and writing standards. Children are encouraged to develop effective communication skills in readiness for later life.

# **APPROACHES TO READING**

We encourage a love of books and of reading by providing a rich reading environment in our classrooms and in our school library. Throughout the school, teachers read aloud to children on a regular basis. We read a wide range of good quality fiction, non-fiction and poetry. We teach both the word recognition skills needed to decode texts and the language comprehension skills needed to understand what is being read. Word recognition skills are developed systematically in the FS and KS1 through the teaching of synthetic phonics, using the 'Letters and Sounds' programme in our daily teaching of phonics throughout the EYFS and Key Stage 1. We use a book banding system to ensure that texts are at the appropriate level for each child and encourage daily reading at home. Language comprehension skills are developed and deepened through directly taught activities within the immersion and analysis of texts. These are applied across the whole curriculum as well as within shared and guided reading sessions. A wide range of material is provided to access independently for interest or information and children are encouraged to use the library. Reading guidelines and record books are shared with parents.

### **APPROACHES TO WRITING**

We provide a wide variety of reasons and purposes for writing and in the early years provide many opportunities for child initiated and role-play writing. Teachers regularly model writing in shared and guided writing sessions addressing children's particular targets and areas for development. We also provide regular opportunities for children's writing to be shared, displayed and celebrated. Success criteria are generated and shared with children during lessons and reinforced through a variety of methods such as marking ladders. Feedback relates directly to the success criteria and children are given opportunities to respond to marking and make improvements (for more details see our marking policy).

# **Spelling / Phonics**

We have a structured phonics programme, which is taught daily. Spelling rules and strategies are explored. Use of dictionaries and thesaurus are encouraged.

# **Handwriting**

Demonstration and marking should reflect the schools agreed style. Cursive letter are taught from reception. Pens are used when the child's style is uniform and cursive. The schools agreed style is taught weekly until the child has developed a fluent style.

# **Planning**

Planning in English is led by the objectives from the English National Curriculum 2014, using a range of text types. It takes the form of long, medium and short term planning. Spelling, handwriting and grammar are also taught discretely every week and embedded in writing and through opportunities in cross-curricular activities.

# **CROSS-CURRICULAR LITERACY OPPORTUNITIES**

Teachers will seek to take advantage of opportunities to make cross-curricular links. They will plan for pupils to practise and apply the skills, knowledge and understanding acquired through literacy lessons to other areas of the curriculum. Using the whole school and class themes, teachers are to incorporate English into these where appropriate. Included in some year groups units is a novel study where a theme will be used for that particular unit of work, other subjects to be clearly identified.

# THE USE OF ICT

Opportunities to use ICT to support teaching and learning in Literacy will be planned for and used as appropriate. This will include the reading and use of on screen text types.

# ASSESSMENT AND TARGET SETTING

Work will be assessed in line with the Assessment Policy. Children are to be assessed in reading and writing at the end of each term and the results updated on the schools teacher drive in the correct year group folder. Intervention programmes and extra support will be identified using these assessments.

### INCLUSION

We aim to provide for all children so that they achieve as highly as they can in English according to their individual abilities. We will identify which pupils or groups of pupils are under-achieving and take steps to improve their attainment. Gifted children will be identified and suitable learning challenges provided.

### INTERVENTION PROGRAMMES

Interventions are carried out where a group or individual isn't making sufficient progress or has a specific need. The programme used will depend on the needs of the child/group and will be discussed with the subject leader, SENCO and class teacher.

# **EQUAL OPPORTUNITIES**

All children are provided with equal access to the English curriculum. We aim to provide suitable learning opportunities regardless of gender, ethnicity or home background.
