

Literacy focus and aims

- Pupils have an increased understanding of reading through effective questioning and comprehension activities.
- Pupils enjoy reading a range of genres and have experiences of different authors and texts.
- Pupils have an understanding of handwriting expectation and use cursive handwriting throughout the school.
- Pupils develop pace and resilience to be able to produce longer and more fluent pieces of writing.
- Pupils use the skills learnt in SPaG session and apply it in their writing.
- Pupils improve their spelling through standardised resource and lessons are delivered using the review, teach, practice and apply model.
