

Bretherton Endowed CE Primary School Parent Questionnaire **November 2019**

Your feedback on school and your child's education is hugely important to us in order for us to 'get it right'. We work hard to ensure that your child has the very best educational experiences and is happy and content at school but we always strive to be better. We tailor our systems and processes to hopefully make your family's experience of school a positive one and if we fall short in any way, hope that you feel able to come in and allow us to rectify it. Our door is always open and one way we can ascertain your views in all areas is through this questionnaire. We appreciate you giving your time to complete the questionnaire.
