

**BRETHERTON ENDOWED CE PRIMARY SCHOOL  
School Closure Policy (in the event of snow or  
severe weather, or other conditions necessitating a  
school closure)**

*“Walking in the footsteps of Jesus with our Christian family, we learn, grow, achieve and flourish together in God’s love.”*

**This policy is for Bretherton Endowed CE Primary School and The Hub, Bretherton Endowed Out of School Provision.**

In the event of disruption due to severe weather conditions, or other events, for example the boiler breaking down, the school must always consider the safety of its pupils, staff and visitors. With this in mind Bretherton Endowed CE Primary School’s primary responsibility is to ensure the school remains open, wherever possible, to avoid disruption to the outstanding education that pupils receive.

Any decision taken to close the school will be made as quickly as possible by the Headteacher, taking into consideration the safety and accessibility of ground conditions of the school site, and if the school is sufficiently heated and able to provide a school meal for pupils. Wherever possible the school will remain open at all times.

In the event of Bretherton School having to close, or partially close, families will be notified in the following ways:

- by text message – parents should ensure the school has up to date mobile telephone numbers and contact details for nominated family members
- details will be posted on the school website as soon as possible.  
[www.Brethertonschool.org.uk](http://www.Brethertonschool.org.uk)
- details will be posted on PTFA facebook page
- details will also be posted on the Local Authority’s website [www.lancashire.gov.uk](http://www.lancashire.gov.uk)
- the following local radio stations will be informed – BBC Radio Lancashire; Rock FM

If severe weather should develop during the day, the school will aim to remain open until the end of the school day (3.15pm). However if this is not possible parents will be contacted by text message or telephone and asked to collect their children, or arrange to travel with other families in order to get home safely in severe weather, at the earliest convenience.

We will revert to remote learning policy for children whilst at home.

Adopted : March 2023

To be reviewed by the end of 2025

**All aspects of our policy intends to comply within the Data Protection ( GDPR) legislation.**
