Dear Parents,

Endeavour Swimming @ Tarleton Academy – Block 3 Information

As you may be aware, in September 2016 Tarleton Academy launched **Endeavour Swimming**, a school-run community swimming programme providing swimming tuition for children throughout the area. We are pleased to announce that the programme has grown considerably since its origination, and there are now close to 190 children taking part in swimming lessons every week on the programme.

Teaching is delivered by West Lancashire Sport Partnership swimming specialists. Many of the children are familiar with the teachers, as they deliver primary school swimming lessons during the school day at Tarleton Academy on a Monday, Thursday and Friday. This helps to build a swimmer-teacher relationship for the benefit of the children's swimming tuition and enhances the continuity between our primary school swimming programme and Endeavour Swimming.

Endeavour Swimming operates in 4 x 10-week blocks over the course of the academic year. Monday 5th February will see the start of **Block 3** of the programme for this year. We are now taking enquiries to book on to this 10-week course.

Swimming currently takes place on a Monday, Tuesday and Thursday between 4:00pm and 6:00pm. Endeavour Swimming are also exploring the possibility of expanding to deliver lessons on a Wednesday and Friday at the same times. The cost of a 10-week course is £45.00, which equates to £4.50 per 30-minute weekly lesson.

Each block, there is an opportunity to purchase ASA Certificates and Badges at lessons, and chances every week for children to be rewarded with Endeavour Swimming certificates from their class teacher.

If you wish to enquire about booking a place for your child, please either:
